Special Guest Speaker—Amy Carter-James, Founder and Trustee of the [NEMA Foundation](#).

Amy is quite simply one of the most inspiring women you will ever meet. In her mid 20s she established an eco-lodge in Mozambique and before she turned 30 she had won just about every major tourism and hospitality award in the world.

Amy has been internationally recognised as a leading social entrepreneur; finding innovative, grass-root solutions to lift vulnerable children and their families out of poverty.

She has a special heart for women and girls. At our breakfast she will share her experiences in empowering women through enterprise, health programs, and education.

Don't miss this opportunity to hear more about Amy's inspirational venture.
