Working together for women

BIRTHING KIT ASSEMBLY DAY

*Supported by Edith Cowan University
School of Nursing and Midwifery.*

No woman should die while giving life.

Over 300,000 women die annually from pregnancy or childbirth-related complications. The majority of these are in developing countries. BKFA is an organisation dedicated to improving the conditions for women all over the world by providing clean Birthing Kits. Though each kit costs less than a cup of coffee, its simple contents provide the resources to reduce infection and fatalities.
