

# DINNER MEETING 1 MAY 2019

1919-2019

## KNOW THE LINE! (what's on and not on for behaviours in the workplace or other environments)

VISITORS  
ALWAYS  
WELCOME

**Diana MacTiernan is Manager of Commission Services at the Equal Opportunity Commission. The EOC has two major roles. The first is to encourage recognition and an understanding of the principles of equal opportunity. The second is to provide a means of redress to individuals who allege unlawful discrimination.**

**Diana has over 30 years' experience in dealing with issues around sexual harassment. This includes developing and implementing procedures in an academic institution in the late 80s when the legislation was new, representing employees as a union official and more recently as a conciliator and community education officer with the Commission.**

**We see much in the media about this issue. Diana will talk more about the Commission's role and 'educate' us more about what is and what is not acceptable in today's world when it comes to equal opportunity.**

**Please RSVP  
with any dietary  
requirements
